Changing Your Display Name

Your display name is the name that will be used as the overall identifier of your account on our website. It can be seen in the top left-hand corner of the dashboard, and will appear in any emails sent out using our website.

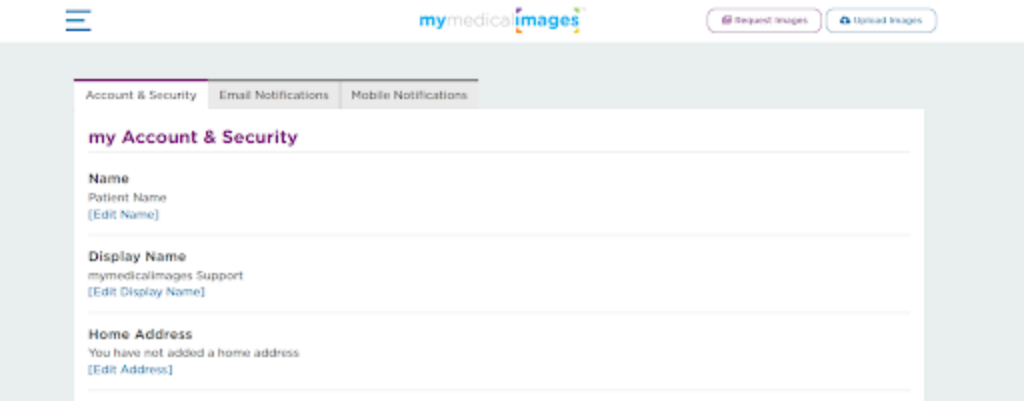

Step 1: Log-in to your mymedicalimages account at https://app.mymedicalimages.com/

Step 2: Open the Main Menu in the top left-hand corner of the screen.

Step 3: Expand the "Account and Settings" dropdown menu, then select the "Account Info" option.

Step 4: Click on the bracketed "Edit Display Name" button and fill the text box that appears with your desired display name, then click save.

After you have done this, your Display Name will be changed to the one you entered into the text field.
