Register Your StarterKit

Getting Started · https://mymedicalimages.com/help/register-your-starterkit/

If you don't have a CD drive to upload images, our StarterKit is perfect for you! Simply purchase a StarterKit, send us your CD's, and we'll do it for you! To learn more about our StarterKit or to order one, click here.

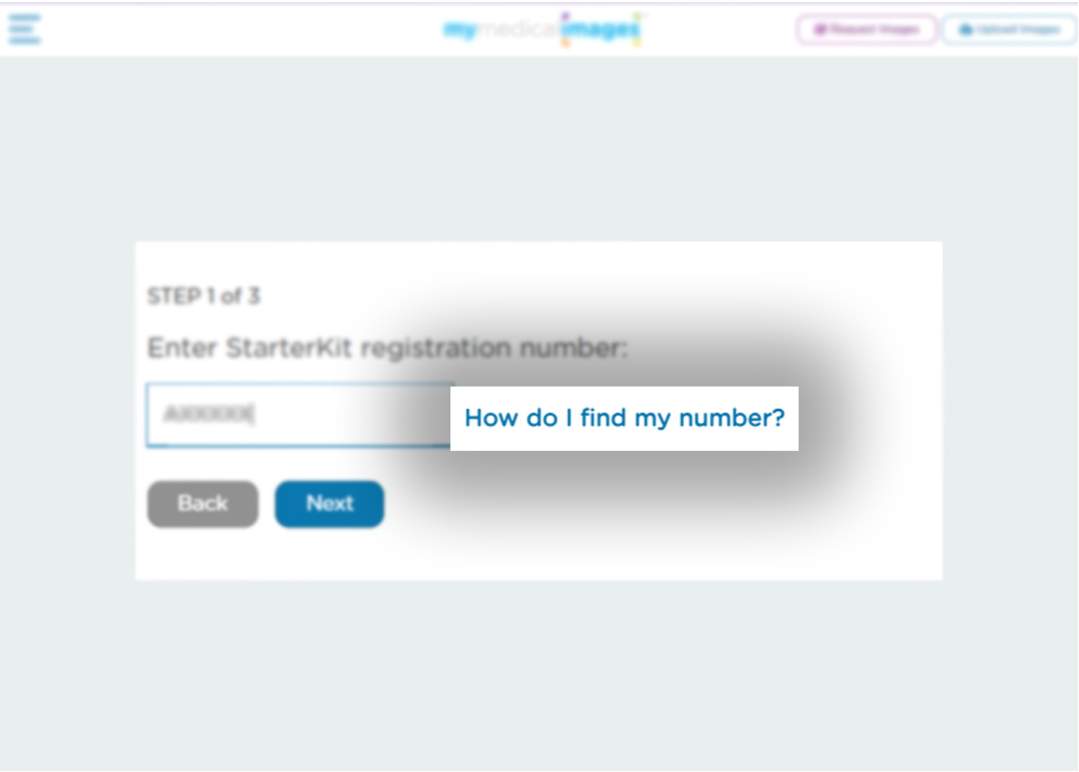

Register Your StarterKit

Step A: Log-in to your mymedicalimages account at https://app.mymedicalimages.com/.

Step B: Click on the Main Menu icon in the top left-hand corner of the page. Click on "Register StarterKit."

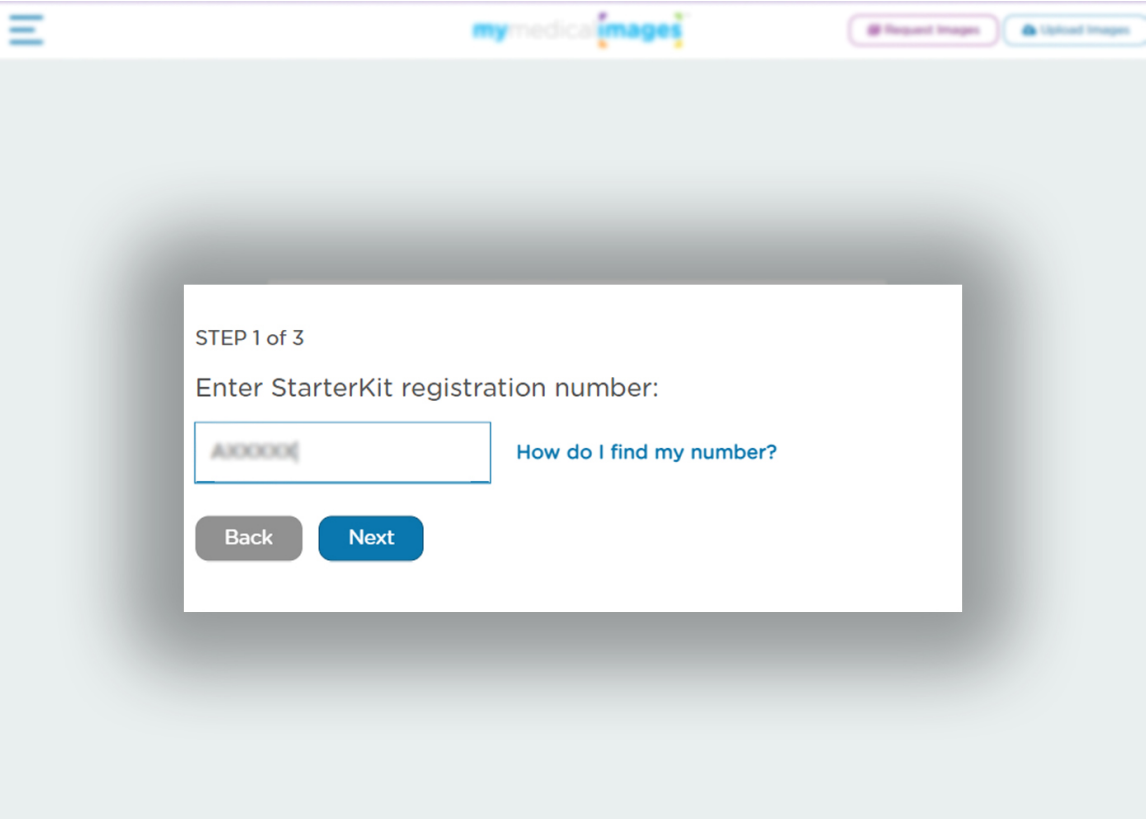

Step 1: Enter the StarterKit registration number.

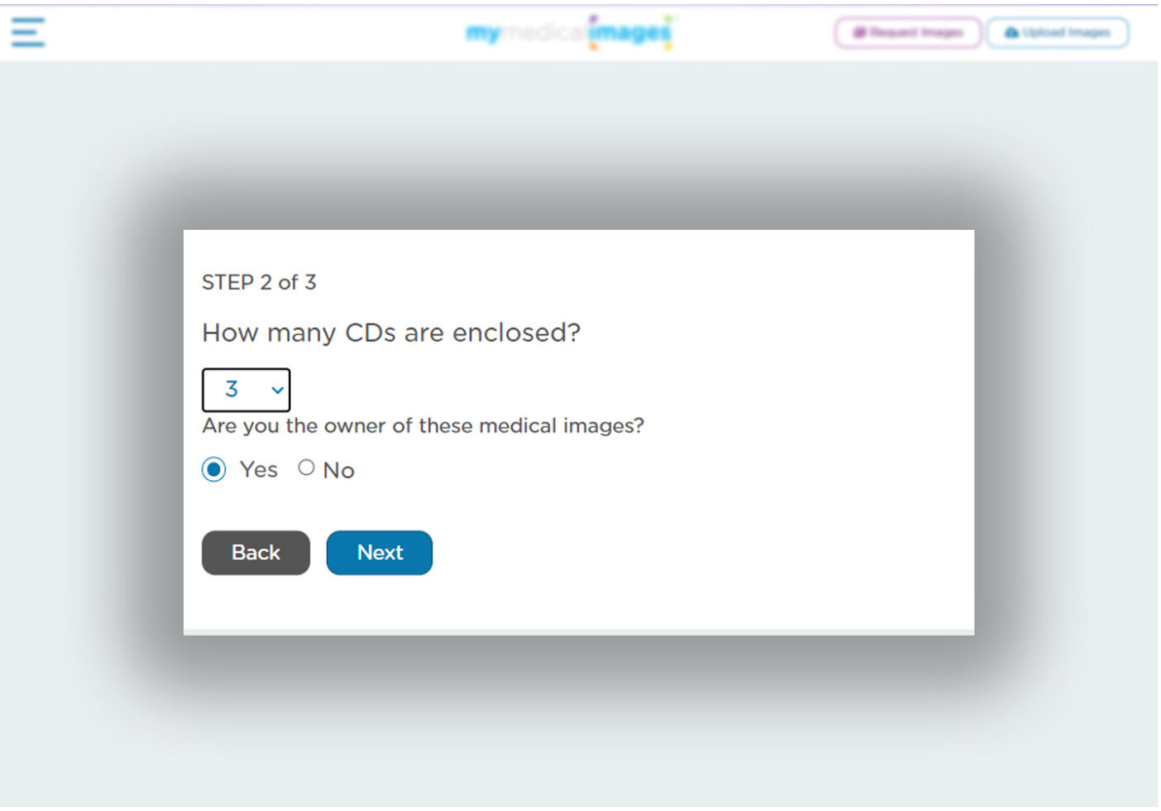

How to find your number: Your StarterKit registration number can be found on step 2 of your "Get Started Here" guide. The "Get Started Here" guide is located in your StarterKit

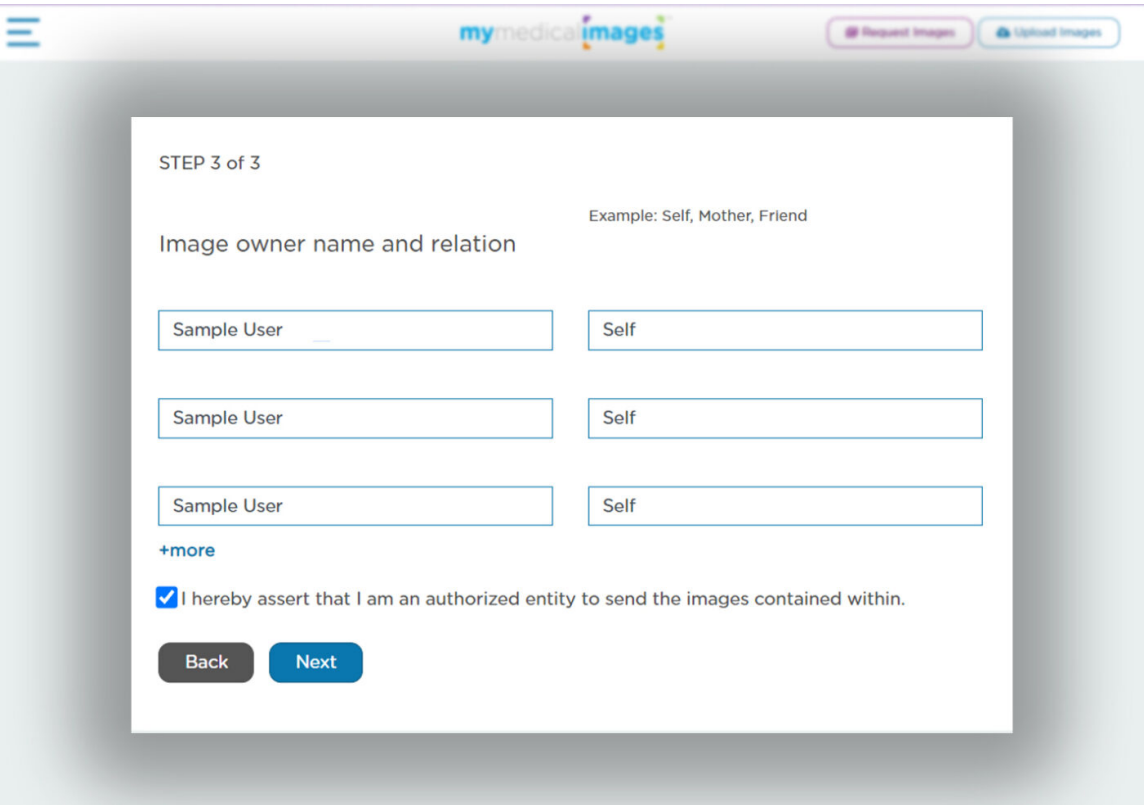

Step 1a: After entering the StarterKit registration number, click "Next."

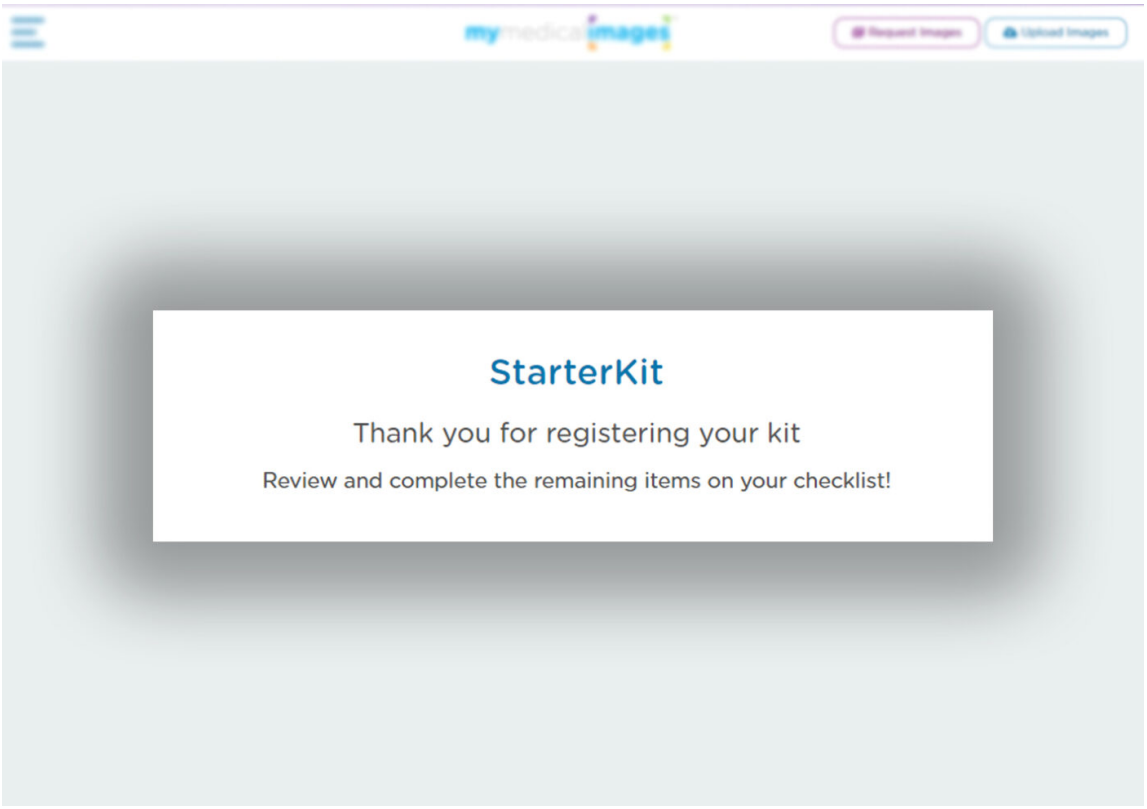

Step 2: Enter the number of CDs that you will be sending to us, and tell us whether you are the owner of these images or not. Then, click "Next."

Step 3: List the Owner Name and relationship for each CD, check the authorization box, and click "Next."

Thank you! You have now successfully linked your StarterKit to your account.
